ACADEMY

5 March 2020

Dear Parents/Carers

Further to my letter from last week about the threat posed by Coronavirus, please find below a link to current guidance for children at school. Should your child express concern about the situation with the virus, this may help to discuss how we can all protect ourselves.

Please be assured that the current threat to health posed in our area by Coronavirus is still very low. We will respond appropriately and in line with guidance from both Public Health England and the Department for Education should circumstances change.
