Coronavirus – Please be assured that we are monitoring the situation with Covid-19 in both our school and the local area. We continue to follow guidance from Public Health England, as well as advice from BCP council. We will continue to take additional measures to keep the children safe from infection in the coming days, such as washing hands when we arrive at school.

Bagels – Unfortunately, the supplier of the breakfast bagels is still not able to deliver bagels to us next week due to an ongoing production problem, so there will be no bagels next week. This is completely out of our control and we appreciate your patience whilst we wait for the deliveries to be restarted.

Trips and Payments – The children have been on some really memorable trips this term and we have planned many more experiences for them this year. Please remember that it is not possible to fund these trips solely from school funds and that payments are due to be paid on ParentPay.

Mini-Ambers – If you would like to access either the before or after school provision, please book and pay online through ParentPay. This is essential in order for the Mini-Ambers team to plan for staffing and activities.

PTA Events – Friday 20th March is dress down day in return for Easter hamper donations. Donations for the hampers can be any type of Easter Chocolates. Please be reminded when buying your donations that we are a nut free school.

Friday 20th March is also the day of the PTA Disco. The disco will be £1.50 per child. The disco for Reception to Year 3 children will be held from 3.15 - 4.15. Year 4, 5 and 6's disco will be held from 4.30 - 5.30.

Raffle tickets for the Easter hampers will be sent home with your child on Monday 23rd March. The raffle tickets will be 20p per ticket. Please remember to write your child's name & class on the back and return to the office in a sealed envelope with the ticket and money enclosed. The Raffle draw will be Thursday 2nd April.

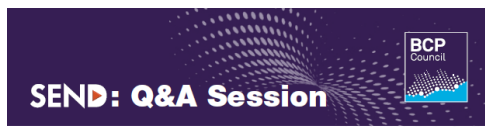

Action For Children – This organisation provides excellent support and practical advice for parents, particularly if children are exhibiting challenging behaviours. The courses that they provide are professionally developed, for example by clinical psychologists, and are accessible free of charge. 'Behaviours That Challenge Us' workshops are available on 27th April:
