

22nd May 2020

Dear Parents / Carers,

The children have continued to wow us with how hard they are working at home on their learning. Well done to them all and huge thanks to all of the adults who are supporting them currently.

We would like to celebrate two 'High Achievers' again from each class – keep an eye out for the certificates which will be winging their way towards you!

RSW

Archie B - Well done for your excellent research and recording of parts of a plant. Hopefully you've managed to see a few flowers growing in the sun over the last couple of weeks.

Esme – I really enjoyed your fantastic writing about what you would like to be when you are older, using 'because' to make your sentences longer.

RAD

Archie K. - for working so hard on your shape home learning to think about different rectangles that you could find. Great work!

Paisley-Rose – I was so impressed with how you kept going when you built your 3D structures. You tried last week and didn't manage to finish and then you tried again this week and did it!

1NT

Harrison – You've made such a massive effort with your home learning and have really impressed both me and mum with all of your hard work!

Bobby – Some incredibly impressive work! I've been really interested with the science work and your stop motion films with Lego were awesome!

1RL

Teddy – You have completed some fantastic work over the last couple of weeks. I have especially enjoyed seeing your story writing with such lovely neat handwriting, it's always a pleasure to read. You will have a lot of stars waiting for you at school!

Zack – You have shown amazing phonics knowledge and your kindness and politeness at school to all other children has been lovely to see. Anyone would be lucky to have Zack as a friend!

My Garden Poem

My merry garden, full of life,
Yes it's really true,
Glorious blackberry-bush, blooming with blackberrys,
Amazing creatures visit our garden,
Really hot when the sun out,
Den made out of willow,
Ever-changing flowers as the seasons process,
No rubbish is good to make it wildlife friendly,
People find our garden fun,
On sunny days we swim in our swimming-pool,
Everything is welcome in our garden,
My merry garden is very fun!

4LV

Alicia - I have really enjoyed all your Home Learning activities that you have sent to me over the past few weeks. Well done for creating an informative and eye-catching poster on American Football.
