5<sup>th</sup> June 2020

Dear Parents / Carers,

We have had a highly successful first week of the half term and have been really happy to welcome back an increasing number of pupils into school.

I know in the midst of the current climate, coming back into the school building can be daunting for families and that many of you will still be balancing up whether or not to send your children back in. Please be reassured that all of the changes and alterations to school adopted have held strong and that all reasonable protective measures are in place. If you do have any questions about sending your children back into school, please do get in touch.

The children never cease to amaze me with how adaptable they are and how they make these adaptations so positively. Having seen the children learning in their bubbles, it is clear that they are happy and being supported well. Their skills in social distancing were particularly evident during our fire alarm, which was completed in 2 minutes – quite an achievement!

I would particularly like to thank all of the families who have been so supportive with the new drop off and pick up times. I know that some of you are having to wait to enter and having to do two rounds of drop offs to meet the staggered timings and we do appreciate your support. Congratulations too to all those who have navigated the maze successfully!

You will find below more cause for celebration – our high achievers of the week. Pupils in school had their certificates today, others will be on their way!

Best wishes as always,

Mr Vernon  
Principal
