Re. Contact from teaching staff for Reception, Year 1 and Year 6

Dear Parents and Carers,

Over the last two months, teachers have been calling each family in order to support with home learning. Due to school now being open for Reception, Year One and Year Six, please be aware that from next week (beginning Monday 15th June) that this weekly contact will no longer occur.

We will continue to offer places to all children in Reception, Year One and Year Six at school (following all procedures for social distancing in schools) and will also support those children not attending school by providing home learning packs. Additionally, should your child not attend school and you have any questions or queries about the learning set, please do get in contact via telephone or email and we will respond to your questions. Purple Mash email will also be checked, although not necessarily daily due to the commitments of the teaching staff.

Please also note that normal absence procedures are in place for Reception, Year One and Year Six. Should you opt to keep your child at home, please report this in the usual way. If we do not hear from you, we have a duty to follow this up, which may involve the involvement of external agencies when we are unable to make contact after repeated attempts.

Many thanks for the continued support.

Yours sincerely,

Mr Vernon
Principal
