

BAYSIDE  
ACADEMY

17 September 2020

Dear Parent/Carer

In Reception, we use many different ways to record your child's learning such as taking photos, keeping drawings and writing our conversations.

Another way we will record what your child is doing at school in relation to the Early Years Foundation Stage (EYFS) Curriculum will be using the app 'Tapestry'.

This app allows us to write a comment, add a photo if needed and link it to a learning area e.g maths. The app also allows parents to view their child's account. For this we will link it to the email address you provided and it will send you an invitation to create a log in. Using your own personal log in, only you will be able to view every post a teacher writes about your child.

We can't wait to share your child's learning.

Look for an email from 'Tapestry' to create your own log in, it may go into the junk mail box.

If you have any questions, please feel free to ask any of the EYFS team.

Kind regards

Miss Davies      Miss Langrish
