BAYSIDE ACADEMY

Monday 21st September 2026

Dear Parents/Carers,

We are very excited for the upcoming trip to Osmington Bay on Sunday 27th September 2026. Could the children please arrive at school on Sunday for 2.30pm. We will be then collecting any pocket money (a maximum amount of £10 in a named envelope or wallet), medication and permission for use of the school's sun cream if required. We will get the children onto the minibuses and depart at 3pm. I have attached the kit list. Can we please remind you that the children definitely need at least 2 towels, one for the water and one for washing. They need to have water shows for the water sports activity. These can be beach shoes (the ones with backs) or an old pair of trainers. These trainers will remain wet, so they cannot be their main trainers that they are using for the activities.

Sliders and flipflops are not allowed to be worn for activities, downtime football or water sports activities, so trainers really are best to bring.

We are looking forward to seeing you all on Sunday.

If you have any questions for Mrs Creech, please email the office.

Yours sincerely,

Helen Creech
