

Impact of School PE Funding 2019/2020

With this funding we have improved the provision of PE and sport in our school. Children have participated in a wide range of sporting activities within the curriculum and during extra-curricular activities. They have also participated in both competitive and friendly matches with other junior and primary schools in the local area.

Our funding statement shows how we spent the funding in **2019/2020** and how we are planning to utilise it in **2020/2021**.

At Bayside Academy we have always promoted the importance of sport in our school. We believe that sport enhances the lives of our children by teaching them to be active and healthy and live a healthy lifestyle. Sport also teaches children morals when following rules and developing sportsmanship. The social aspect of school and learning is also met through sport in team games. Sporting excellence and participation has always been a very strong focus in our school.

We ensured that the school has a variety of equipment to teach a range of skills and sports.

Impact of Funding:

Within the playtime provision, pupils have been playing small-sided games and learning how to win and lose appropriately. Children have also participated in both competitive and friendly matches with other junior and primary schools in the local area.

Bayside Academy is proud to offer our children a wide range of extra-curricular activities which are led by our Curriculum Enrichment Leader. The vast majority of our clubs are run free of charge and include not only sports clubs designed to engage children further with team games but also clubs that celebrate the creative arts and those which further a love of learning. Currently the extra-curricular clubs on offer to all pupils, free of charge, are: Cooking, Dance, Art, Table Tennis, Football, Hockey, Basketball, Netball, Gardening, Multi-skills and Film club. These clubs are very popular with our children and during 2019-2020, 61% of our Key Stage 1 children participated in a club and 70% of our Key Stage 2 children participated in a club. Within the cohort for the academic year 2019/20, our qualified swimming instructor has confirmed that 81% can now swim confidently and proficiently over 25 metres, while also using a range of strokes effectively.

In addition, Bayside Academy has maintained links with local community sports including Dorset County Cricket Board, AFC Bournemouth, Premier League Youth Sports Trust, Poole Town FC and Poole Rugby Club. Over the academic year they have either run taster sessions, provided the school with leaflets, run an after school club or accepted children from our school into their external club provision allowing our children the opportunity to experience and enjoy a wider range of sports, inspiring them with the opportunity to succeed and excel in competitive sport and receive professional tuition at a minimal cost.

Covid 19 impacted the 2019/2020 year hugely. This impacted our Team Sport and Inter-Academy matches meaning that they had to be cancelled in line with schools closing. Covid 19 also affected our after school clubs.

We are proud of our sporting achievements at Bayside Academy and during 2019-2020 our children participated in the following competitions and events:

- Year 6 Leadership
- Year 5-6 Tag Rugby
- Year 3-6 Football mixed
