Pupils in the incorrect uniform may be provided with items of clothing to change into in order to meet our school expectations.

Hair

All hair at or below shoulder length must be tied back at all times in school, but especially during PE and games lessons. Hair ties and headbands must be **small and discreet** and must be **navy blue or black** to blend with school uniform hair should be off the face, clipped back and not obscuring sight. Hair should be no shorter than a Grade 2 cut and pupils should not wear extreme hair fashions, including dyed or streaked hair and images or lines cut into the hair.

Jewellery

Apart from plain stud earrings and watches (which have an educational value in helping children to learn how to tell the time and take responsibility for their own time keeping), the wearing of jewellery in school is **not permitted**. Items can easily get lost or damaged, or may be the cause of injury. The school cannot accept responsibility for the loss of such articles. Smart watches are not allowed in school due to their value and being a potential distraction from learning.

Jewellery in PE and swimming lessons

During any physical education in school, **children must not wear any jewellery because of the safety aspect**. Children must therefore either be able to remove earrings themselves, or not wear stud earrings to school on PE days. Please try and arrange for your child to have their ears pierced at the very beginning of the summer holiday so that by September no studs should need to be worn. As all children's ears are different and the healing rate varies there might be the need to wear studs for slightly longer than the recommended time of six weeks. If this is the case, then the studs must be removed either by the child or parent before the PE lesson begins. PE and swimming are a compulsory part of the National Curriculum and children are expected to take part in all sessions.

Make-up and Nails

The wearing of make-up, nail varnish or false nails is considered inappropriate for a learning culture and is not permitted. Children will be asked to remove this.

All personal property should be very clearly marked with your child's name.

***These items are to be purchased directly from Brigade Clothing.**
